

Couture by Kentwood: Rift Chevron Collection

Movement meets mastery underfoot, where every plank of the Rift Chevron Collection guides the eye and shapes the space. Curated by designer Jeannie Legume, the angled planks align seamlessly, forming Chevron's signature V motif that brings structure and dynamic energy to the floor. Rooted in European heritage yet reimagined for modern interiors, the pattern combines geometric rigor with the natural character of rift-sawn oak, creating a sense of nostalgia and authenticity.
