BRUSHED HICKORY BEDFORD

Brand	**Kentwood Collection** Acacia, hickory, maple, oak, and walnut wide-plank and herringbone flooring characterized by on-trend colors and cutting edge finishes. Learn more
Collection	**Kentwood Collection: Hometown** **While maintaining recommended levels of heat and humidity is important for all hardwood floors, it is imperative for species like hickory and acacia, which react more severely to environmental changes. For hickory and acacia flooring, relative humidity must be maintained at 30-50% at all times, as specified by the NWFA. If these conditions cannot be met and maintained, alternate flooring options should be considered.** Learn more about this collection
