

## Couture by Kentwood: Rift Collection

Where architecture meets artistry, the Rift Collection emerges as a new standard of luxury. Curated by designer Jeannie Legum, this format embodies simplicity and quiet confidence. Laid plank by plank, its linear flow emphasizes the natural rhythm, texture, and grain of rift-sawn white oak, creating a surface that is steady, architectural, and rich in presence. Rooted in both European and North American traditions, Rift celebrates authenticity in its purest form.
